Sign and return this request **BEFORE** you proceed with your installation.

To prevent damage to buried utility lines and cables the following procedure must be followed.

- Call **811** to schedule marking for any utility lines and/or cables that are in the back yard.
- When the utility providers are done, **call Balfour Beatty Communities Maintenance at 850.286.6495** to schedule flagging of the remaining water, sewer and electric lines.

The installation of a satellite dish is subject to the following conditions and specifications. The Resident is responsible for making sure the Dish Company Installation technician follows these guidelines:

- The Satellite Dish must be installed in the backyard **ONLY**, behind the home.
- The Dish must be on its' own pole and **cannot be attached to the fence or home.**
- The resident/provider **may not** drill holes through outside walls, etc.
- The Satellite dish and pole must be removed before your final move-out inspection.
